SUMMARY:

Energetic Computer Science student adept at web development, skilled in HTML, CSS, and JavaScript. Excels in creating user-centric experiences with a keen eye for design. Thrives in collaborative environments, passionate about innovation and pushing boundaries. Ready to infuse creativity into every project with a relentless drive for excellence.

TECHNICAL SKILLS:

- **Frontend** – HTML ,CSS,React.js, JavaScript,
- **Backend** – Node.js, API
- **Database** – MongoDB
- **Languages** –HTML,CSS & JavaScript ,C.

SOFTSKILLS

- **Communication Skill**
- **Leadership Quality**

PROJECTS:

Calculator

Created a fully functional calculator app with HTML, CSS, and JavaScript, demonstrating proficiency in front-end development. Employed dynamic JavaScript for accurate calculations and responsive design for seamless user experience. Enhanced visual appeal and usability through CSS styling, showcasing strong problem-solving skills and attention to detail.

Joke API

Built a React-based joke API, showcasing front-end expertise. Integrated backend functionalities for fetching and managing joke data. Designed a responsive, user-friendly interface with HTML/CSS. Demonstrated problem-solving skills and creativity for an engaging user experience.

Weather forecasting API

Designed and developed a Weather Forecasting API using React, showcasing expertise in front-end development. Implemented backend functionalities for data retrieval and management, demonstrating proficiency in API integration. Created a responsive and user-friendly interface with HTML/CSS to enhance user experience. Highlighted problem-solving abilities and innovation in delivering a reliable forecasting tool.

Taskmanagement API

Built a Task Manager API in React, blending front-end finesse with robust backend data management. Crafted a user-friendly interface for seamless task handling. Demonstrated problem-solving prowess and attention to detail for an efficient solution.

EDUCATION:

12-2021 : PURSUING

BTECH(COMPUTER SCIENCE AND ENGINEERING), NANASAHEB MAHADIC COLLAGE OF ENGINEERING.PETH

6-2020 : 3-2021

HSC, J.S.P.COLLEGE OF SCIENCE ,BELANKI.

6-2018 : 3-2019

SSC NEW ENGLISH SCHOOL ,BELANKI
